\$ _____

Please Note: Nature Camp is a coeducational, residential, academic camp that emphasizes education in natural history and environmental studies. It is intended for those with a passion for learning and a genuine interest in the out-of-doors and the natural world. Campers attend class daily and are expected to complete a project, typically written, for each class. Those seeking a solely recreational experience will not be happy here.

Applications will be accepted at any time; there is no application deadline. Qualified applicants will be accepted on a first-come, first-serve basis, and therefore we encourage a timely return of applications. After a session fills, additional applicants will be notified and given the option of being placed on a waiting list.

Nature Camp does not discriminate on the basis of race, sex, or religious affiliation and encourages applicants from persons of any ethnicity, race, or background.

Information for Parent(s) or Guardian(s): All campers must be able to participate fully in classes, prepare written reports, take written tests, and participate in rigorous outdoor activities. All accepted campers must pass a physical exam; a medical form to be completed by a physician will be sent to each accepted applicant and must be returned prior to the start of camper's session.

A \$100 deposit with camper's name must accompany application; the deposit is not refundable if camper is accepted. The balance of camp fees is due by June 1, after which date all fees are not refundable. Please make checks payable to Nature Camp Inc.

As a not-for-profit institution, Nature Camp has always striven to provide a camping and educational experience of the highest quality at the lowest possible cost. We recognize, however, that some families may be unable to afford the full cost of tuition. In past years a limited number of scholarships have been available to promising new and outstanding returning campers. If you would benefit from tuition reduction but have not yet been offered a scholarship from a sponsoring organization, please indicate your interest in financial assistance by checking the box below. While we cannot at this time guarantee any tuition reduction, we hope that no one will be discouraged from applying simply because of prohibitive cost. For more information please e-mail Scholarship Coordinator Lynne Still at wjpstill@aol.com.

I would benefit from and am interested in tuition reduction. Please keep me in mind for a possible scholarship.

I have read, understood, and fully authorized this application.

Signed, _____
